

BROOME **on SALE!**

Broome - a great Top End Combination

Broome is easily accessible from the Top End and offers the perfect base for exploration of the magnificent Kimberley coastline. Travel from Darwin via the sealed highways or for the more adventurous take the 4WD Gibb River Road and explore the spectacular Kimberley area.

Broome grew from the pearling industry early last century and still features many reminders of those days in its quaint architecture, museums and cemetery.

Stroll and swim at the famous Cable Beach, discover ancient dinosaur footprints or catch a movie in the town's open air cinema. Take flightseeing trips to Purnululu (*Bungle Bungle*) National Park, Giekie Gorge or Argyle Diamond Mine. Complement your Top End visit with a Kimberley adventure.
